

IMAGE USE PERMISSION

The National Institute of Biomedical Imaging and Bioengineering requests your permission to use your images to enhance our public outreach efforts and provide visual and illustrative descriptions of our research support activities. We ask that you indicate approval to use your image(s) in the following ways: poster exhibits at national meetings, website postings, NIBIB-related presentations, brochures and fact sheets, and Congressional testimony. You will receive appropriate credit if we use your work.

I, _____ / _____,
(type or print name) (signature and date)

grant the National Institute of Biomedical Imaging and Bioengineering (NIBIB) at the National Institutes of Health (NIH) permission to use my image(s) in the manner(s) indicated above.

Image title:

Image description:

There are no licensing fees associated with the use of these image(s) or any additional related publications.
